

TRANSFORMING LIVES Strengthening Communities

The YMCA provides a safe and inclusive place for all people to reach their full potential by offering programs and services that nurture Youth Development, promote Healthy Living and bring about meaningful change through Social Responsibility. As a valuable member of the Gahanna/John E. Bickley YMCA, your donation will help us continue to be a cornerstone of our community, working alongside our neighbors to meet critical needs and instill a healthy mind, body and spirit for all. Your gift will refresh the spirit of the next new member in our building, your neighbor next door or the family down the street.
